◆ Kenny Schachter, 66 Crosby St. (betw. Spring & Broome Sts.), 431-0003. "High Anxiety." Schachter includes a work of his own on the mezzanine of the large, wonderful space he's rented for this show. It's a cut-out of Duchamp with a sign reading "I am not a role model." We take this as a message to artists: "Whatever you do, don't stop producing, we need product!" And product he's got. Robert Chambers' fashion-S&M photos might twang your thang, so might Nina Bovasso's watercolors. Lawrence Seward pulls off a clever floorpiece, while Devon Dikeou's work, once you know its title, is brilliant [through 5/31].
